Product short description:

Complete 3-hole Rose-One System kit comprising a 120 mm rosette with a 200 mm round metal decorative cover and all the fixing accessories.

This kit contains cable ties specially designed not to hide the decor thanks to their flat shape and transparent colour.

Perfect for lighting large rooms and multi-suspension ceiling lights, this system will suit all types of interiors thanks to our wide selection of designs. Choose the one you prefer from the menu.

ATTENTION: the accessories for connecting the rose to the power line are NOT included in the kit, but can be purchased separately.
