Product codes:

Reference: 36543

EAN13: 5905339365439

UPC: -

Product short description:

The luminaire is sold without a bulb.

Detector	Dimensions:
No	See description

Kanlux PRESO is a family of 4 garden lights, including three bollards ranging in height from 30 to 80 cm, and their ideal complement is a wall light. Thanks to their special design, the lights shine sideways rather than upwards, so that the right areas are illuminated. The streamlined design of the shade prevents water from remaining on the surface of the lamp. The entire range of Kanlux PRESO garden lamps is suitable for E27 replaceable light sources, allowing us to choose the light intensity and colour ourselves.
