EAN13: 5905339292070

UPC: -

## Product short description:

The luminaire is sold without a bulb.

The Kanlux JASMIN luminaires are rounded, original and stylish, with a modern, attractive design. The housing of the ceiling light is made of wood and acid-treated (satin) glass, which ensures even light distribution. The classic combination of wood and glass makes this a highly versatile lighting solution.
