Product short description:

The luminaire is sold without a bulb.

Kanlux LARATA E27 is a steel table lamp. The finish and the casing itself give it elegance and a modern appearance. The Kanlux LARATA table lamp is a unique product, made with particular attention to every detail. Thanks to its weight, the lamp remains stable and doesn't wobble. The arm can be adjusted using two elegant screws and the visible cable is laid in an attractive braid.
