Kanlux TIBERI PRO NT is a family of surface-mounted downlights. They are available in two wattages (20W and 30W) and two colours (black and white) while retaining the same size. The main features of the Kanlux TIBERI PRO luminaire are its high level of waterproofing (IP54) and its high colour rendering index (Ra>90), as well as its ease of installation. The Kanlux TIBERI PRO NT luminaire features high-quality components backed by a 5-year guarantee.
