2x45°	230V	54
Detector	Dimensions:	
No	See description	

Kanlux GARTO are outdoor wall lights with a simple, attractive design. They can be used as indoor luminaires (they have an adequate CRI), but they can also be used on building facades (IP54). In the Kanlux GARTO luminaire, the light falls onto the façade from above and below, being dispersed evenly in both directions.
