

Cera Pendant Brass 1xGU27

Product price:

€87.92 tax included

Product codes:

Reference: 2010203035

EAN13: 5704924001314

UPC: -

Product short description:

The luminaire is sold without a bulb.

Brass is becoming increasingly fashionable in all areas, including lighting, and complements the minimalist Nordic style in the most beautiful way. Cera is an all-brass series that brings warmth, cosiness and exclusivity to light-filled interior design. The rounded shape of the lampshade combined with the rigour of the structure creates a beautiful visual effect.

The Cera suspension lamp emits a friendly downward light and is ideal above the dining table, kitchen island or coffee table.
