

Contina Hanging lamp Black 3xG9

Product price:

€93.53 tax included

Product codes:

Reference: 2010953003

EAN13: 5704924001703

UPC: -

Product short description:

The luminaire is sold without a bulb.

Contina combine attractive design and functionality, and the series stands out thanks to its carefully selected details. The light structure ends in a spherical dome in white opaline glass that conceals the light source and elegantly diffuses glare-free light around the room.

Contina is a long, minimalist suspension luminaire with three light sources in matt black metal. It's ideal above a long dining table or kitchen worktop. Its slim design means that the pendant does not take up too much space in the room or obstruct the field of vision.

The glass in this lamp is mouth-blown and has been individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
