## Dial 25 Pendant White E27

**Product price:**

**€38.92 tax included**

**Product codes:**

Reference: 2213333001

EAN13: 5704924011979

UPC: -

### Product short description:

The luminaire is sold without a bulb.

Dial is a modern, contemporary family inspired by the distinctive lighting designs of the 1950s. The style is Nordic and uncluttered, with an open, geometric shape that lets a lot of light through. The open shade creates a decorative upward lighting effect when the light is switched on.
