## **Product short description:**

The luminaire is sold without a bulb.

With its references to timeless, minimalist Scandinavian style, Ellen fits in perfectly with most interior designs. The large round shade provides visual volume and a wide field of light, offering pleasant illumination.

The glass in this lamp is mouth-blown and individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
