**Product price:**

**€66.22 tax included**

**Product codes:**

Reference: 2213083009

EAN13: 5704924011740

UPC: -

## Product short description:

The luminaire is sold without a bulb.

Freya is a family of organically shaped lights in a contemporary Nordic design. The almost oversized upper shade hugs the lower part and completes the elegant silhouette, while covering the light source for comfortable illumination. This pendant is perfect for lighting your dining table alone or in pairs, or above your kitchen counter.
