Piso exudes Nordic minimalism. The elegant design of Piso gives it a modern, timeless expression, and the large illuminated surface helps to spread a beautiful, even light. Its rigorous design is combined with the integrated Dim-to-Warm dimming technology operated by your wall dimmer, making it easy to adapt the temperature of the light in the room to suit everyday situations.

The Piso suspension lamp is made from elegant white metal which, combined with the soft shapes, gives the lamp a simple, rigorous expression. The suspension lamp diffuses an even light through the matt shade, making it ideal above the dining table or kitchen island.
