Product short description:

2700k

Power	Lumens	Voltage	Angle	Dimmable
22W	1600	230V	120°	Yes

- Dimmable: Moodmaker™ with 3 settings via your usual wall switch™

Piso exudes Nordic minimalism. The elegant design of Piso gives it a modern, timeless expression, and the large illuminating surface helps to spread a beautiful, even light. Its rigorous design is combined with integrated Dim-to-Warm dimming technology to heat operated by your wall dimmer, making it easy to adapt the room's light temperature to everyday situations.

Piso is a timeless ceiling light that, with its simple expression, fits perfectly into any interior. This ceiling light is ideal for rooms where you need powerful, space-saving lighting, for example in an entrance hall or corridor. Piso is made from matt white metal, and the frosted shade emits an even, glare-free light.
