- Dimmable: Moodmaker™ with 3 settings via your usual wall switch™

The Lilt series perfectly combines functionality and design. Lilt features an evenly illuminated surface across the entire lamp, and is equipped with the integrated Moodmaker™ three-setting feature that gives you the ability to easily change the lighting to suit your needs from your ordinary wall switch.

The simplicity of the suspension is accentuated by two beautiful black fittings that contrast with the rectangular metal surface. Perfect over a long dining room or kitchen table.
