Product short description:

The luminaire is sold without a bulb.

Chisell is inspired by the glamorous Art Deco style and is made from modern brass and swirling glass. The swirling glass dome projects a beautiful light effect on the wall. Chisell can be used individually or in a group of several lamps to create an interesting lighting effect.

The glass in this lamp is mouth-blown and has been individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
