## **Product short description:**

The luminaire is sold without a bulb.

The Franca series offers an exclusive and elegant design with beautiful shiny glass and satin-finish brass. The suspension lamp is inspired by the classic chandelier and incorporates vintage details with a modern twist. The white glass domes emit a soft, diffused light.

The glass in this lamp is mouth-blown and individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and its thickness can also vary. This is what gives the glass its character and lively appearance.
