Product short description:

The luminaire is sold without a bulb.

Lilly is a highly decorative series that brilliantly combines simplicity and elegance. The minimalist frame and elegant luminous glass domes express an obvious lightness, while the opaline white glass lets in a warm, pleasant light.

The interplay between brushed brass and light opal glass makes the Lilly suspension extremely elegant, while echoing one of the major design trends of the moment. The position of the luminous glass domes creates an accomplished decorative ensemble while diffusing 360 degrees of light throughout the room.

The glass in this lamp is mouth-blown and individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
