Product short description:

The luminaire is sold without a bulb.

Milford is a superb decorative suspension lamp with organic shapes. Its matt, slightly transparent surface diffuses a soft light and its grooved surface gives the suspension a singular expression. The glass in this lamp is mouth-blown and has been individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
