Product short description:

The luminaire is sold without a bulb.

Orbiform exudes exclusivity and glamour. The series combines brushed brass with a pentagon-shaped glass dome adorned with pretty diamond motifs that emphasise the sparkle of the glass and create a unique lighting effect in the room. The pretty glass evokes the era of crystal interiors, which is once again a popular element of interior design.

The 3 Orbiform suspension lamp helps to create an elegant atmosphere and a pleasant ambience. With its three lamp heads, Orbiform is the perfect light above a long dining table. The decorative brass bracket completes the decorative look.

The glass in this lamp is mouth-blown and individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
