Product short description:

The luminaire is sold without a bulb.

The Torina glass pendant has an airy, vintage design expression with a feminine touch. It's up to you to add the bulb you like, and create an interesting look by hanging three or more pendants in a row or cluster.

The glass in this lamp is mouth-blown and has been individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
