Product short description:

The luminaire is sold without a bulb.

The Read 2 pendant from Nordlux is simple and elegant. The pendant is made from metal and opaline white glass. Read is perfect for hanging over the dining table or kitchen worktop. The glass in this lamp is mouth-blown and individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
