

White Textile Electrical Cable 3X0.75mm 5m

Product price:

€10.06 tax included

Product codes:

Reference: 132640

EAN13: 5907400000201

UPC: -

Product short description:

The Textile Electrical Cable is an electrical sheath with a cross-section of 1.5mm² made up of three pure copper multi-core cables with a diameter of 0.75mm² each, making it ideal for lighting installations. It has a textile coating available in different colours.

Combine it with the sockets, suspension cables and finials in the DIY collection. Decorate your rooms and create your own personalised lamps!

* Cable diameter: 6mm.

* Product made to your specifications, and therefore exempt from the right of withdrawal.
