

Contina Wall light Brass G9

Product price:

€38.92 tax included

Product codes:

Reference: 2010971035

EAN13: 5704924001734

UPC: -

Product short description:

The luminaire is sold without a bulb.

Contina combine attractive design and functionality, and the series stands out thanks to its carefully selected details. The light structure ends in a spherical dome in white opaline glass that conceals the light source and elegantly diffuses glare-free light around the room. The Contina wall light in matt black metal breaks with the traditional notion of using lamps. The long, flexible arm means that Contina can be used both as a wall light and as a ceiling light. This lamp lets you add your own personal touch. The glass in this lamp is mouth-blown and individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
