UPC: -

Product short description:

The luminaire is sold without a bulb.

Detector	Dimensions:
No	See description

Pontio is a series of outdoor lamps by Danish design duo Says Who with a clean architectural design. The geometric shape adds a modern yet timeless expression to your interior, while the sloping shade offers a unique and interesting look from every angle.

This product is part of our " Designed For Seaside " (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions.

Over time, exposure to wind and weather gives galvanised steel a beautiful darker patina.
