The Arki series by Danish designer Bønnelycke MDD features a beautiful domed shade and clean, minimalist lines inspired by the classic architect's lamp. The Arki series strikes the perfect balance between simplicity and sophistication, providing the perfect lighting for your entrance, driveway, terrace or other outdoor space.

This product is part of our "Designed For Seaside" (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions.

Over time, exposure to wind and weather gives galvanised steel a beautiful darker patina.
