Helix lights up outdoor spaces with its unusual design. Its screws are visible and its surface inspires absolute confidence. The bulb itself is invisible. The light is diffused upwards, providing indirect lighting that is evenly distributed across the top of the lamp. Design by Bønnelycke MDD.
This product is part of our " Designed For Seaside " (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions.
Over time, exposure to wind and weather gives corten a beautiful darker patina.
