Product short description:

The luminaire is sold without a bulb.

Detector	Dimensions:
No	See description

The design of the Venø series is elegant and timeless. The light is diffused through 3 shades, giving a soft, pleasant glow. Design by Horn.

This product is part of our "Designed For Seaside" (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions.

Over time, exposure to wind and weather gives copper a beautiful darker patina.
