

Luxembourg Sensor wall light Galvanised steel E27 IP54

Product codes:

Reference: 22661031 EAN13: 5701581020054

UPC: -

Product short description:

The luminaire is sold without a bulb.

Detector	Dimensions:
No	See description

This elegant wall light from the Luxembourg series by Nordlux is a classic outdoor lamp with a glass globe that beautifully illuminates your driveway, driveway, terrace or patio. The lamp is fitted with a sensor, so it switches on and off automatically when someone walks past. The lamp can be connected in parallel with several other lamps. It uses an LED bulb.

This product is part of our " Designed For Seaside " (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions.

Over time, exposure to wind and weather gives galvanised steel a beautiful darker patina.
