

Linton Post Galvanised steel E27 IP54

Product price:

€70.13 tax included

Product codes:

Reference: 2218308031

EAN13: 5704924011078

UPC: -

Product short description:

The luminaire is sold without a bulb.

Detector	Dimensions:
No	See description

The Linton series by Danish design duo Says Who boasts a round, elegant design with obvious references to the classic lantern. It has a ribbed diffuser that provides a pleasant, diffused light and a galvanised steel base that is perfectly suited to the elements. The floor lamp creates the perfect atmosphere for your driveway, terrace or pathway. Easy to install in the ground with the base unit Nordlux.

This product is part of our " Designed For Seaside " (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions.

Over time, exposure to wind and weather gives galvanised steel a beautiful darker patina.
