## Product short description:

The luminaire is sold without a bulb.

Detector	Dimensions:
No	See description

Beautiful galvanised outdoor wall light with a classic design. It can be mounted in parallel and is ideal for a driveway, entrance, terrace or patio.

This product is part of our " Designed For Seaside " (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions.

Over time, exposure to wind and weather gives copper a beautiful darker patina.
