UPC: -

Product short description:

The luminaire is sold without a bulb.

Detector	Dimensions:
No	See description

Canto Maxi Kubi 2 offers a unique lighting experience with light that is diffused upwards and downwards. The cubic design evokes Scandinavian minimalism and makes the lamp both decorative and sculptural. Canto Maxi Kubi can be mounted in parallel with several lamps, making it an extremely functional lamp. Designed by the Danish company Bønnelycke MDD. This product is part of our "Designed For Seaside" (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions. Over time, exposure to wind and weather gives galvanised steel a beautiful darker patina.
