**Product price:**

**€27.22 tax included**

**Product codes:**

Reference: 2218053008

EAN13: 5704924010583

UPC: -

## Product short description:

The luminaire is sold without a bulb.

The Coupar series by Danish design duo Says Who presents a modern take on the traditional lantern. With its clean lines and soft, rounded design expression, the series naturally combines classic features with a modern, contemporary look. The perforated diffuser creates a pleasant glow while projecting an interesting play of light. Made from durable powder-coated metal. Easy installation with ceiling rose included.
