120°	230V	44
Detector	Dimensions:	
No	See description	

Whether you install Canto 2 indoors or outdoors, the lamp provides unique lighting. Its minimalist design makes it both decorative and sculptural. The light is diffused upwards and downwards and, thanks to the three patterned inserts, you can change the light pattern to suit your wishes and style. Designed by Danish company Bønnelycke MDD.

Stainless steel should be treated with acid-free oil 3-4 times a year. It is not recommended for use in harsh climatic environments.
