Detector	Dimensions:	
No	See description	

Whether you install Canto 2 indoors or outdoors, the lamp provides unique lighting. Its minimalist design makes it both decorative and sculptural. The light is diffused upwards and downwards and, thanks to the three patterned inserts, you can change the light pattern to suit your wishes and style. Designed by the Danish company Bønnelycke MDD.

This product is part of our "Designed For Seaside" (suitable for coastal areas) range, manufactured with a unique surface coating and paint to withstand the harshest coastal weather conditions.
