Detector	Dimensions:	
No	See description	

Whether you install Canto Kubi 2 indoors or outdoors, the lamp provides unique lighting. Its minimalist design makes it both decorative and sculptural. The light is diffused upwards and downwards and, thanks to the three patterned inserts, you can change the light pattern to suit your wishes and style.

The strict lines and cubic shape of Canto Kubi 2 make it a modern, highly sculptural wall light that evokes Nordic minimalism. Designed by the Danish company Bønnelycke MDD.

This product is part of our "Designed For Seaside" (suitable for coastal areas) range, made from highly durable materials to withstand the harshest coastal weather conditions.

Over time, exposure to wind and weather gives galvanised steel a beautiful darker patina.
