Angle	Voltage	IP protection
180°	3.7 DC ACCU	20
Detector	Dimensions:	
No	L x W x H (mm): 240 x 32 x 53	

USB charger not included.

Kanlux CALIZIA LED is a modern wall light with a luminous flux of 160 lm, which can be recharged via USB C (220 mm long cable included). You can fix the base of the wall light to a wall or cupboard using adhesive tape or 2 screws (included in the kit), and you can easily detach the light itself (magnetic holder) to recharge it. A useful feature of the Kanlux CALIZIA LED wall light is the ability to change the intensity and colour of the light. Kanlux CALIZIA LED will be useful in places where you don't have an outdoor installation, as a furniture light or portable light. The lamp has a maximum life of 5 hours.
