4000k

Power	Lumens	Voltage	Angle	Dimmable
17.5W	460	230V	120°	No

Kanlux VAND LED is a modern version of the traditional ceiling light. The black or white elements (depending on the model chosen) add elegance and a breath of fresh air. Kanlux VAND LED gives a very subtle light, so in large rooms you can use several of these lamps or place them only in areas where you don't need powerful lighting.
