## Product short description:

The luminaire is sold without an E27 bulb.

**Massimo is a collection of modern ceiling and wall lights. They are ideal for rooms where a lighter, slightly smoky light is desirable. Massimo lamps are equally suited to Scandinavian and ultra-modern interiors. They have more than one purpose: they'll look great in the kitchen, the hallway and even the bedroom. The chrome panel is an interesting detail that makes these modern lamps stand out from other collections.**
