Product short description:

The luminaire is sold without a bulb.

A collection of sleek, elegant and highly distinctive LINO lamps will successfully illuminate the interiors of modern dining rooms, kitchens or living rooms. Thanks to their warm-coloured wooden structure, they'll also fit in perfectly with Scandinavian or rustic décor. The light that spreads evenly under the narrow, tube-shaped shade is both functional and aesthetically pleasing. The four available versions of the pendant lamps - with one, two or three bulbs - make them suitable for both large and small interiors.
