**Product price:**

**€132.52 tax included**

**Product codes:**

Reference: 2220075001

EAN13: 5704924010293

UPC: -

## Product short description:

The luminaire is sold without a bulb.

- The Versale series from Anker Studio is the quintessence of Scandinavian minimalism in all its rigour. A perfectly round lampshade with a uniform light surface disturbed only by the piercing frame. The table lamp can easily create the perfect ambience for your desk, sideboard or bedside table with its pleasant, glare-free light.
