## Product short description:

The luminaire is sold without a bulb.

- With Caché, Danish designer Charlotte Høncke has created a table lamp with an intriguing and eye-catching design. The lamp is made up of two perfectly round shades, elegantly joined by a solid marble base. Caché creates an interesting and playful atmosphere where the light is reflected between the two shades.

As marble is a unique natural material, the lines, colours and patterns can vary from one lamp to another. That's part of the charm of using natural materials.
