Product price:

€116.92 tax included

Product codes:

Reference: 2420013009

EAN13: 2420013009

UPC: -

Product short description:

The luminaire is sold without a bulb.

- The Versale series from Anker Studio is the quintessence of Scandinavian minimalism in all its rigour. A perfectly round lampshade with a uniform light surface disturbed only by the piercing frame. The suspension lamp can easily create the perfect atmosphere for your dining area thanks to its pleasant, glare-free light.
