# Navone 20 Pendant White E27

**Product price:**

**€116.92 tax included**

**Product codes:**

Reference: 2220433001

EAN13: 5704924010071

UPC: -

## Product short description:

The luminaire is sold without a bulb.

- Navone is designed by the Danish design studio Studio Mavro//Lefèvre by Sofie Lefèvre. The overall shape of the shade is soft and round, but the subtle curved base adds an interesting new dimension that transforms the lamp into something more than a simple sphere. The brass details add a contemporary touch, emphasising the suspended lightness of the lamp.
