

Navone 30 Pendant White E27

Product price:

€175.92 tax included

Product codes:

Reference: 2220443001

EAN13: 5704924010132

UPC: -

Product short description:

The luminaire is sold without a bulb.

- Navone is designed by the Danish design studio Mavro/Lefèvre. The overall shape of the shade is soft and round, but the subtle curved base adds an interesting new dimension that transforms the lamp into something more than a simple sphere. The brass details add a contemporary touch, emphasising the suspended lightness of the lamp.
