

# Navone 40 Pendant White E27

**Product price:**

**€199.92 tax included**

**Product codes:**

Reference: 2420103001

EAN13: 5704924018275

UPC: -

## **Product short description:**

The luminaire is sold without a bulb.

- Navone is designed by the Danish design studio Studio Mavro/Lefèvre by Sofie Lefèvre. The overall shape of the shade is soft and round, but the subtle curved base adds an interesting new dimension that transforms the lamp into something more than a simple sphere. The brass details add a contemporary touch, emphasising the suspended lightness of the lamp.
