

Nori 18 Pendant Black E27

Product price:

€85.72 tax included

Product codes:

Reference: 2120803003

EAN13: 5704924006470

UPC: -

Product short description:

The luminaire is sold without a bulb.

- Nordic minimalism and suspended lightness are the watchwords of the Nori pendant series created by Danish designers Bjørn + Balle. The organic, rounded shapes give the design a unique simplicity, complemented by the warmth of the oiled walnut wood at the top. It blends easily into a wide range of interior designs, creating a variety of styles depending on size and colour.
