

# Nori 18 Pendant White E27

**Product price:**

**€85.72 tax included**

**Product codes:**

Reference: 2120803001

EAN13: 5704924005770

UPC: -

## Product short description:

The luminaire is sold without a bulb.

- Nordic minimalism and suspended lightness are the watchwords of the Nori pendant series created by Danish designers Bjørn + Balle. The organic, rounded shapes give the design a unique simplicity, complemented by the warmth of the oiled walnut wood at the top. It blends easily into a wide range of interior designs, creating a variety of styles depending on size and colour.
