

# Nori 39 Pendant Black E27

**Product price:**

**€171.52 tax included**

**Product codes:**

Reference: 2120823003

EAN13: 5704924006500

UPC: -

## Product short description:

The luminaire is sold without a bulb.

- Nordic minimalism and suspended lightness are the watchwords of the Nori pendant series created by Danish designers Bjørn + Balle. The organic, rounded shapes give the design a unique simplicity, complemented by the warmth of the oiled walnut wood at the top. It blends easily into a wide range of interior designs, creating a variety of styles depending on size and colour.
