Product short description:

The luminaire is sold without a bulb.

The Angle series by Danish designer Maria Berntsen presents a modern and timeless design expression. The lamp is designed to be both playful and interactive, with a magnetically attached shade that can be easily adjusted to suit your needs. Turn, tilt or move the shade to create direct or indirect lighting. The lamp comes with a practical clip so you can place it on a shelf, bookcase or anywhere else you want to highlight certain details of your interior.
