

Stay Wall light Black E27

Product price:

€155.92 tax included

Product codes:

Reference: 2020455003

EAN13: 5704924000980

UPC: -

Product short description:

The luminaire is sold without a bulb.

Staydesigned by Maria Berntsen, this is a functional and timeless lighting design. The angular cut of the shade is both open and pointed, allowing plenty of light to pass through.

The flexible lighting head and arm swivel mechanism are used to direct the light and create optimum lighting conditions. Simply loosen the screw and adjust the arm to get the light you need. The switch is discreetly positioned behind the lighting head, making it easy to turn the light on and off. The Stay lamp combines exceptional flexibility with an elegant look, making it as attractive as it is convincing.
